## Notes from the President

Hope everyone is well, there's a lot going on this time of year. I want to thank the car show staff for a very successful car show, it was fun and very good for the Heritage Day Celebration. Car show everywhere, if you go to one please give Dale a report on it. Corvette Expo in Galveston was a nice event, smaller than the old days, but good swap meet and vendor displays. The activities committee is open for ideas for things to do please bring your suggestions to the meeting so we can discuss them, never pass up an opportunity to have a party. Everyone make sure you have paid your dues for this year. Remember as always, we need your articles, and pictures for the newsletter each month. Get 'em out and shine 'em up, it's corvette season for a while.

### For Your Information...

#### *NCCC PRESIDENT'S MESSAGE APRIL 2018*

**Happy Easter!** Easter falling on April 1st is special. This doesn't happen on the 1st very often. Easter sends a message of new life and new beginnings Spring is here, flowers are blooming, and everyone can start refreshed and new.

**Spring has arrived** and NCCC members are "**ANXIOUS**" to take their Corvette out for a drive. This is what we all wait for as a member of NCCC....to own a Corvette is to **DRIVE** it someplace and have fun.

**Do not get "ANXIOUS"!** The weather is warmer as summer is around the corner. I don't know about you but I can't wait until I get in the car and have someplace to go. I am "**ANXIOUS**" to do this as much as I can. Sometimes things prevent me from doing what I want. Weather, family commitments, a volunteer job, health, and a handful of other things that I have no control of make me "**ANXIOUS**" to do what I want.

**Last month I wrote about the "eight day week"** with the eighth day being "**SOMEDAY**". We all have a "**SOMEDAY**" in our life way too many times. "I'll get to it tomorrow!" We become "**ANXIOUS**" because we don't ever get everything done.

**You don't have much choice** about the things you have to do. Write down things that need to be **done** and decide what needs to be done **now**, what can **wait**, and what is really **important**. Put a check by what you don't have to do right **now**. Removing these items will eliminate a lot of your stress and anxieties.

**All of us have experienced situations** similar to this. You have a picnic planned, an outdoor car show, a wedding planned outside, and the weather man is calling for rain. Can we stop the rain, can we make a difference? What we all need to do is look at everything in life and don't worry about the things we cannot

control. I think if you try this you will find a peace of mind and body you have not experienced before. Life is too short to spend the hours and days “**ANXIOUS**” about what we cannot control.

**Enjoy April** as the weather improves, enjoy your friends often, call a family member you haven’t talked to in a while, and give someone a hug. One of the hardest things to do in life is say “**I am sorry**”, or “**I forgive you**”. Don’t wait....”someday” may never come. And don’t be “**ANXIOUS**”....tomorrow will be here soon enough!

**Attached below** is an update from the 2018 Convention Directors for the 2018 NCCC Convention in New Orleans. Don’t make convention something you plan to do “**SOMEDAY**”. New Orleans get-together is one you won’t want to miss.

**Be safe** is all you do, have fun in all you do, and make the most of today! And get out and drive the Corvette!

**God Bless you all,**  
**Dave Heinemann**  
**President NCCC**
