Hope everyone is well, there's a lot going on this time of year car shows everywhere, congratulations to all of you who are graduating or had family graduating, that's always a big event for the whole family. The activities committee is open for ideas for things to do please bring your suggestions to the meeting so we can discuss them, never pass up an opportunity to have a party. Speaking of parties, everyone make sure you have paid your dues for this year. Please try to attend the monthly meetings, we need a certain number of members to do business so every person counts, come on out and at least attend the meeting, we always have a good time with good food. Remember as always, we need your articles, and pictures for the newsletter each month. Get'em out and shine'em up, it's corvette season for a while.
